

Bullseye™ Trio

Since their inception, these recycling and source separation stations have quickly set the standard in the industry. They combine recycling and/or waste disposal in one convenient station so you only have to invest in one unit. You will love the value because you get high-end quality at a reasonable price. Here are just a few reasons why the Bullseye™ Trio is so popular:

- ✓ Heavy Duty Rotomoulded body construction will last for years and years.
- ✓ The lid is lockable.
- ✓ Meets or exceeds the standard of 25% recycled materials.
- ✓ Comes with three 25 imperial gallon liners. (use 30x38 garbage bags)
- ✓ Sheets of labels are included in every box to label it your way. (English, Spanish & French)
- ✓ 2 Label spots for each hole.
- ✓ Available in any of our premium colours (sandstone, greenstone, granite grey) or standard colours.

Options

- ✓ Galvanized steel base with 5" swivel casters.
- ✓ Stainless steel flaps for outdoor use.
