

# Doublewall Starcarts™

When you require cart strength and impact resistance, you can't do any better than a doublewall STARCART™. Designed to handle abuse, the rotomoulded doublewall thickness will stand up to just about anything you've got. Model 1000B has a painted steel base and 6" threadguard casters in a diamond or corner pattern. The larger Model 1200B has a treated plywood base with 6" threadguard casters in a diamond pattern.

**Caster Pattern:** **Corner**  or **Diamond**
