

# Nest & Stack Tote Boxes

These versatile tote boxes stack when full and nest when empty. Just turn them 180°. They are injection moulded from polypropylene so they're surprisingly lightweight yet virtually indestructible. The double anti-jam ribs stop bins from jamming when they are nested (empty).

Model No.	Dimensions L x W x H (inches)	Colours	Shipping Weight (pounds)
NS-920	15.25 x 12.25 x 6	Yellow, Blue	2
