

Industrial Step Stands

Techstar StepStands are designed for safety in all kinds of situations. Super-wide design, rubber feet and large stepping area with non-skid surface make for rock-solid stability. Rotomoulded from LLDPE so they're resistant to both chemicals and sun degradation. Moulded-in handles make them easy to carry around. Available in grey or yellow. Perfect for warehouses, distribution and order fulfillment centres and any situation that requires reaching. Also great for boat boarding, dock steps, horse mounting, car and truck washing, mechanics shops and garages, etc. Comes in grey and yellow.

Extra Wide Base for Maximum Stability

Model No.	Length (inches)	Width (inches)	Height (inches)	Load Capacity	Shipping Weight (pounds)
SS-1	28	20	13	500	10
SS-2	36	28	20	500	20
