Selling Points:

- The Next Generation Starcart™ is a force to be reckoned with, and one of our strongest carts overall!
- You'll find these carts more durable and impact resistant due to the double wall box-style lip.
- They have better rollability and maneuverability with the two heavy duty casters in the front and two wheels in the rear.
- The steel undercarriage offers an impressive 1000lb capacity!
- The moulded in handles are comfortable and allow the cart to be moved with ease.
- Combining all of the above, you have what we believe to be the best poly-cart on the market!
- In summary, the Next Generation Starcart™ is strong, impact resistant, offers a high weight capacity and ergonomic handling for ease of use.
